

NOTICE OF ADDENDUM TO REQUEST FOR PROPOSALS

SAN PASQUAL VALLEY UNIFIED SCHOOL DISTRICT

Notice To Interested Entities: The San Pasqual Valley Unified School District previously issued a Request for Proposals for construction of its modular gymnasium building and associated construction services. As the result of several questions regarding the District's Request for Proposals and to further clarify the Districts intended project delivery method, the District has amended its original Request for Proposals and hereby replaces it in its entirety with a Request for Statement of Qualifications and Proposals for Lease-Leaseback Construction Services.

The District has extended the due date for responses to its Request for Statement of Qualifications and Proposals for Lease-Leaseback Construction Services to May 13, 2019 at 2:00 PM. The District has enclosed a complete set of documents along with its new Request for Statement of Qualifications and Proposals for Lease-Leaseback Construction Services to those entities that have previously obtained the original Request for Proposals. While there may be some duplication of materials, proposing entities must respond to this newly issued Request for Statement of Qualifications and Proposals for Lease-Leaseback Construction Services, the requirements set forth therein and the documents enclosed with this package.

Questions about this addendum and the enclosed request for Statement of Qualifications and Proposals for Lease-Leaseback Construction Services may be submitted by email to Kish Curtis at kcurtis@spvusd.org.

Effective Date: The effective date of this Addendum is April 10th, 2019.
