

**1. When will school start?**

School will commence on Wednesday, August 12, 2020 as scheduled.

**2. What model of instruction will be followed at the beginning?**

SPVUSD will begin the 20-21 school year with a Distance Learning model, in which students will interact daily with their teacher to receive live instruction, as well as to complete assignments utilizing a technology platform.

**3. When will we transition to other instructional models?**

SPVUSD will cooperate with the Imperial County Office of Education, other Imperial County School Districts, the Imperial County Health Department and follow existing laws and executive orders related to school closures. Upon being notified that it is safe to have students on campus, with social distancing and other requirements, we will begin to have students present within a two-week timeframe (approximation).

**4. What will the model look like once students return to school?**

We will operate a hybrid learning model which would include a mix of in-person instruction days and online instructional days. When students are not attending in-class instruction, they will be working on assignments through the technology platform. In addition to normal evening cleaning and disinfecting, a non-wipe, self-drying disinfecting methods will be used between sessions to ensure desks and classrooms will be ready for students.

For parents that prefer not to return physically to school to participate in the blended learning model, a distance learning option will be offered throughout the 2020-21 school year.

**5. During the Distance Learning only model, how often will students be present online?**

District wide and grade level specific schedules have been developed to involve students in live instruction daily through the technology platform. In some cases, this will be small-group instruction and in some cases this will include whole-class instruction.

**What will be the requirements of my child as a student?**

Students will be taught using rigorous grade-level standards and grade-level materials. Requirements for students will be similar to what would be expected of them if they were physically present in school. The methods for receiving information, submitting documents and receiving instruction may be different, but expectations for school will remain consistent with what students would normally be expected to achieve.

**6. Will attendance be taken?**

Attendance will be taken daily. Student presence will be required; however, attendance will take place in various formats to include attending live instructional sessions, as well as engaging in online assignment completion. If your child will not engage in online sessions and assignment completion on a given day absences should be reported to the school office.

**7. Will students with disabilities receive additional support?**

Instruction for students with disabilities will be enhanced with additional support compared to what was provided in the spring to include the technology platform for live instruction. Special Education Teachers will follow their respective students' IEPs.

**8. Will English learners receive additional support?**

Instruction for English language learners will be enhanced as they were in the spring to include the technology platform for live instruction. English learners will receive designated and integrated ELD in addition to extended-day opportunities.

**9. Will meal service be provided?**

- a. Meal service will resume on August 12, 2020. It will be drive through and will only be available to those students registered at San Pasqual. The USDA does not allow us to offer meals to children not registered at San Pasqual during the school year.
- b. Breakfast will be served daily from 7:30 am to 9:00 am.
- c. Lunch will be served daily from 11:00 am to 1:00 pm.
- d. You will be asked for your child's name and grade when picking up lunches.
- e. Your children do not need to be with you

**10. How will the schools be sanitized?**

SPVUSD will follow a daily schedule for sanitizing all classrooms, restrooms and common use areas once staff and students return. In addition to normal evening cleaning and disinfecting, a non-wipe, self-drying disinfecting method will be used between sessions to ensure all desks and classrooms are disinfected.

**11. What should our household do if we do not have internet service?**

Complete the green form included in the letter or via this link:  
<https://forms.gle/EkSACCe7xdFNQRvo6>

**12. Will parent training be offered?**

SPVUSD will be offering specific training for parents through online formats. SPVUSD will also publish non-electronic training materials that parents can use to help navigate online requirements.

**13. Who do I call if I need technological support?**

Please call Jesse Moe at 76-572-0222 extension 2277 or Stephen Ferrer at 76-572-0222 extension 2195.

**14. Will ASES be offered?**

ASES will be offered via distance learning until such time that the District converts to a hybrid instructional delivery model. More information will be released soon to our ASES families.

**15. Will athletic programs (sports) be offered?**

At this point, SPVUSD, following guidelines for CIF and AIA will be postponing all Fall Sports until such time as it is safe to conduct practices and games.

**16. What materials/equipment will be provided for students?**

We are planning an event in which students and parents will be able to meet their teacher and pick up materials such as text books, Chromebooks will be delivered to families according to the attached schedule August 4, 5, and 6, 2020.
