1. Are there any members of the public to be heard on items not appearing on agenda that are within the jurisdiction of the District?
2. Are there any members of the public to be heard on items appearing on the agenda?

Allyson Collins: Does not want the board to appoint a Superintendent. Would like the board to conduct an active search. "I and other parents are requesting this for our District schools. There are interested community members that would like an opportunity to apply for this position. Some of us also feel that if you appoint a current staff member, then you don't provide fair opportunity and that the current staff is not promising of what efforts have already been in place, yet we still are underperforming. Please strongly consider this request. I will provide a formal letter signed by more concerned parents."

3. Are there any members of the public or parents/guardians of Indian children on equal participation in educational programs provided by the district. Title VII of The Elementary and Secondary Education Act as amended by the Every Student Succeeds Act or PL 114-95

**PUBLIC HEARING: Consideration of approval of general waiver request in compliance with California Education code sections 33050-33053, and adopt resolution.**

Pursuant to Education Code Sections 33050-33053 of the California Education Code, the District must conduct a public hearing on the General Waiver Request to provide the public to comment on the General Waiver Request. The CCR 3043 (d) stating that "an extended year program shall be provided for a minimum of 20 instructional days, including holidays." San Pasqual Valley Unified School District recommends providing extended school year (ESY) services for fewer than 20 days with the condition that 80 hours be provided. (A minimum of 76 hours of instruction may be provided if a holiday is included.) Also, special education and related services offered during the extended year period must be comparable in standards,

scope, and quality to the special education program offered during the regular academic year as required by California Code of Regulations, Title 5, (5 CCR), Section 3043(d).

We open the floor to Public Comments regarding 2020-2021 Extended School Year Waiver; please only speak on this topic:
